

The National Anti-Slavery Standard,

New York, 28 Feb. 1866.

Dear Friend Garrison -

29 You will see a Report
of your address last evening,
in this Morning's Tribune.
I shall be glad to repro-
duce it in the Standard, even
as it is, but would much
prefer that it be revised &
corrected by yourself. Will
you please give me a copy
of it that shall have passed
under your own eye & hand?

Very hastily but always faith-
fully & devotedly yours,

Parker Pillsbury.
